Community HI Pictorial Summary

of 1938

COMMUNITY HIGH SCHOOL, DISTRICT 218,
BLUE ISLAND, ILL.

FOREWORD

As June rolls around again, another yearbook staff is free to breathe.

We have tried to present a book with all the year's events and of interest to all the classes. Several changes were made this year, which we hope meet your approval. We take particular pride in offering individual pictures of all the students, spiral plastic building, and the first extensive use of student artwork. The name was changed to conform to the new official school title.

When you get lonesome for your old high school pals, we hope Chips will serve to revive those pleasant associations.

H. L. RICHARDS, SUPERINTENDENT

Ten years ago Mr. Richards was added to the faculty as a teacher of economics, American government, and history. In 1935 he was appointed superintendent of the high school.

Many advancements have been made under his administration. Instrumental music, domestic science, and woodworking were made academic subjects; workrooms and class advisers were started; the yearbook was originated; the Lightweight Invitational Tournament was christened; the coaching staff was increased.

It has also been under his administration that the new wings were added to the school, giving several new classrooms, adequate study-hall facilities, a soundproof bandroom, and allowing for a cafeteria and gymnasium in the old building.

His growing cordiality has made him even more popular with both his students and his teaching staff, who respect him as a man with ideas and the courage of his convictions.

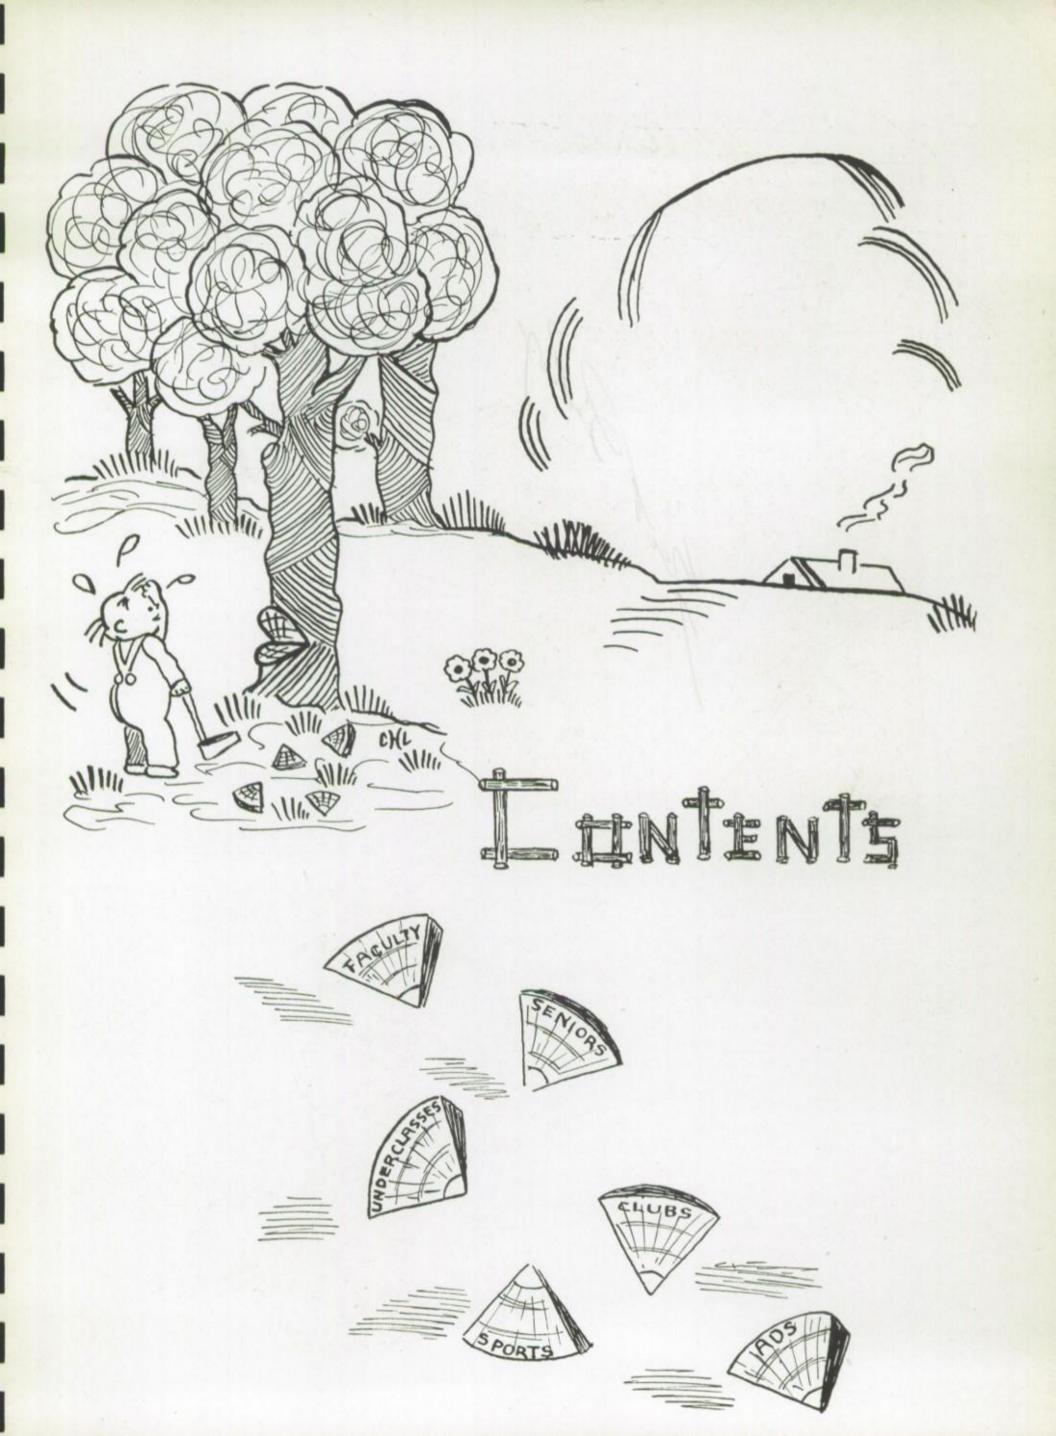

C. B. PRICE, NORTHSIDE PRINCIPAL

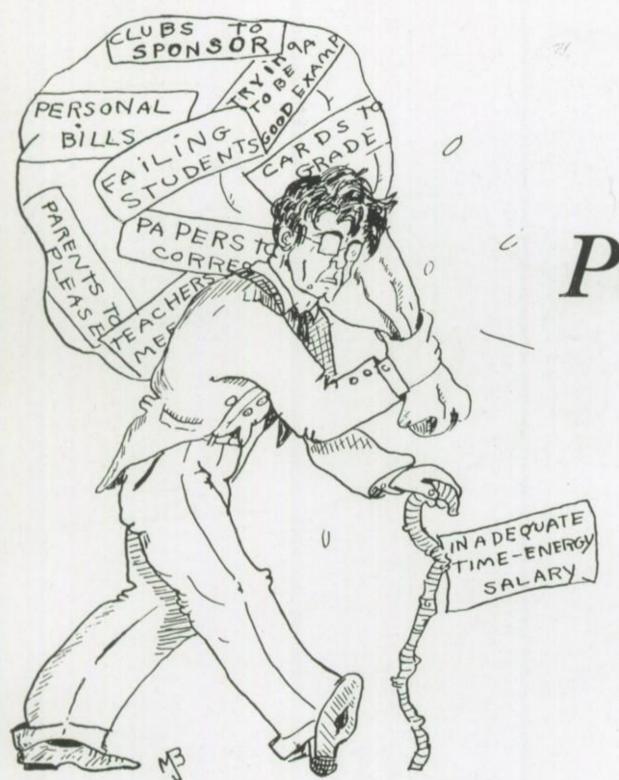

Mr. Price began his teaching here in 1916 as an instructor of manual training. Advancing rapidly, he was raised to the principalship of the high school in 1919.

He has taught many subjects and has also worked with the boys in athletics, having coached track, football, and baseball. He is well known for his outstanding ability in handling students.

Mr. Price has been principal of the Northside High School for the past three years, during which time he has won an enviable reputation as teacher, administrator, and adviser.

The Northside Band

The Northside band is known as a training band for the "varsity" band. Organized two years ago, the current crew has 39 members. The students are divided into two groups, those with grade school experience and beginners. Because of increased spirit and attention to detail, brass, cornet, clarinet, and saxophone quartets have been formed. Flute and clarinet duets have also been organized. There are three soloists in the group.

The Northside Chorus

Although the majority of the members in Northside Chorus had no previous training, many can satisfactorily be used in the regular Choral Club before the year is over. The group performed several times during the year, singing for P. F. A. and supporting the main chorus in the Christmas choraling. The Northside music groups are under the same direction as are those at the central building.

The band has made much progress under Mr. S. C. Wallace, with an increased spirit, seven newly purchased instruments, and a soundproof band room with four adjacent practice rooms. Plans are formulating for the purchase of West Point dress uniforms. A Christmas concert was inaugurated along with a spring music festival.

The Chorus

This year the chorus has had a successful season under Mr. George Bishop. Cooperating with the band, they gave two performances of a delightful Christmas concert. They also caroled on Chicago's State and Madison Streets during the Christmas holidays. Broadcasting for Blue Island also featured the yule season. The spring concert was the season's climax.

International Students' Society

In its first year the International Students' Society has become one of the largest and most interesting clubs in school.

Any student taking a foreign language is eligible, and upon payment of a small fee he receives the name of a student in a foreign country with whom he may correspond.

The club hopes to form more friendly relations among the youths of the various nations. Meetings are held once a month and are conducted by the different foreign divisions. The I.S.S. has as its subdivisions the German Club, French Club, and Latin Club.

The girls endeavor to cultivate good sportsmanship and improve their own ath-

letic ability and general muscular coordination. The recreation serves to stimulate both the mind and the body.

Intramural tournaments in basketball, volleyball, and soccer were held under the guidance of Miss Dickson, the spensor. Varsity tournaments were held between leading girls of the respective school classes.

The Pep-E-Peppers

This year a group of 100 girls banded together to promote school spirit and stimulate interest in the sporting events of the school. The girls purchased gay red and white uniforms to wear on days of home games. Chosen for their leadership qualities, the

girls decided upon a demerit system which would drop a girl from membership if she didn't live up to club expectations. Miss Hicks and Miss Kimmell sponsored the group.

Paps Club

Although being one of the more recently organized groups at school, the Paps Club has been among the busiest. The members take care of the school public address system, working social hours, speeches, etc. The amplifying system was also used at basketball games this year.

Pins designed like miniature microphones serve to identify the members of this organization. At present there are eight boys trained in this work under the direction of Mr. Ames. John Joens was chosen president this year.

The purpose of the club is to give the students training in the ability to argue, organize thought, and gain self-confidence. Resolved: "That the Several States Should Adopt a Unicameral System of Legislation" was the question prepared by the varsity team for debates with other schools.

Medals were given by the local Lions' Club as a reward to winners of an elimination contest in oratory, extemporaneous speaking, declamation, and debating.

The Girls' Club

Being one of the oldest clubs in the school, the Girls' Club now has a membership totaling 100. Miss Van Schoick, last year's cosponsor, was assisted this year by Miss Lippitt. Each spring the club sends delegates to the Girls' Club Conference, which is held in different neighboring schools. The highest aim of this club is to create a friendly spirit

among all the girls in school. Regular meetings are held every other Friday in the library. Officers of the club are elected each spring. An advisory board, consisting of the sponsor, officers, and two girls representing each class, plan the entertainment and social functions.

Under the leadership of Mr. Blunk, the Student Council has taken charge of many tasks about the school. One of these is helping to take care of certain study halls. The hall guard system is another of the Council's projects.

During the Junior Lightweight Tournament the Council had charge of candy sales, profits being turned over to athletic department for needed equipment.

Northside Student Council

Northside Council stressed better teacher-student relations this year. The Council also took charge of their hall guard system, run similar to that of the central building. The Council selected class colors and motto—blue and gold and "We Build the Ladder by Which We Climb". Social hours and the evening party are also responsibilities of Council members. The group is sponsored by Mr. Price.

Under the leadership of Miss Tupica, the Girls' Athletic Club of Northside High went swimming, hiking, and held a grand banquet. One of the purposes of the G.A.C. is to arouse interest in sports, seasonal games, and develop sportsmanship and teamwork

among the girls from many different backgrounds. The club also sponsors a dancing class that emphasizes work in rhythm and modern dancing. Awards were made at a banquet February 18.

The Blackfriars

The purposes of this club are for the members to develop their own interest in dramatics as well as to stimulate others' interest in this field. Under the direction of Miss McHenry a pantomime is given at each regular meeting. The members feel that attendance is not an obligation, but a pleasure.

The Masquers

The Masquers Club was organized on the basis of dramatics mixed with a bit of social life. They meet every two weeks on Mondays; the girls give short plays or skits. Thus all girls desiring to act or express themselves are afforded the opportunity. Miss McHenry sponsors the group.

SENIOR CLASS PLAY

Emily Warren, Bessie Delick, Ferris Howland, Carl Sievert, Carl Eckberg, Dick Mangold, Joe Kutlik, Rita Costello

Senior Class Play

The Senior Class presented their annual play on November 18 and 19. "Take My Advice" involved a young prep school boy who had fallen deeply in love, and followed his emotions throughout until finally brought back to his senses by his professor. The play, a three-act comedy, presented many opportunities for laughs.

It is agreed that the cast, headed by Carl Sievert in the leading role, did very well in presenting the masterpiece. Due credit goes also to the able and gracious director of the play, Miss McHenry who, with the aid of the cast, made it perfect entertainment for young and old alike.

BIOLOGY CLUB

First Row: Kenneth Dahl, Robert Umgelder, Florence Aiken, Delbert Bemis, Miss White, Ralph Sullivan, Marion Holdefer, Paul Carter, Jack Laydon.

Second Row: Frank DiNovo, Martin Hillger, Charles Boddeker, Ruth Frederick, Robert Decker, Doris Meyers, Eleanore Dowling, Fern Glawe, Florence Besancon, Stewart Sandberg, Kenneth Montgomery.

Third Row: Robert Knirsch, Esther Danielson, Laverne Mitchell, Charlet Clan, June Delick, Clara Gustafson, Mary Ann Knirsch, Caryle Allen, Muriel Fitzgerald, Margie Mager, Betty Bell, Lorraine Thoms.

The Biology Club

The Biology Club was organized for the purpose of furthering interest and study in the biological field. Usually meeting once a week, members present a program at each session. Those programs usually consist of talks or moving pictures concerning various nature topics. Special speakers are often invited to appear before the group.

The club is formed into five divisions,

studying birds, protozoa, plants, stars, trees, and flowers. Another group edits a newspaper, started this year, called Biology Chatter.

Various field trips were taken by groups to places of special interest in their line of study. The group made entries for the Junior Academy of Science held in Carbondale in May.

At Table: Lupe Camacho, Celia Delgado, Mary Dowling, Editor, Gloria Kich, Harriet Layne, Barbara Kaiser.

Standing: Lyle Cazel, Ellen Murnane, Doris Ruth Schmitt, Winifred Clark, Margaret Cairo, Marjorie Holmes, Marjorie Helquist, Ruth Ingebretsen, Viola Koehler, Mr. Rossetter.

The Newspaper Staff

A very small but efficient staff was finally selected for the Red and White this year. Although open to any student in the school, the paper attracted few when it was learned how much work was required for each edition. With but one exception, the staff was competely composed of girls.

Mr. Rossetter was the staff adviser and also taught the new senior journalism course.

The staff joined the Greater Chicago Scholastic Press Guild and attended monthly meetings and round-table discussions at

Northwestern University. Membership was continued in the National Scholastic Press Association.

Tuesday night was regular meeting night, attendance being compulsory. The paper was usually "made up" on Saturdays. A system of merits and demerits was used with honors for outstanding stories and "black marks" for late or poorly written material.

The Red and White has been issued regularly since its formation in 1926. The printing is done in local printshops.

YEARBOOK STAFF

Seated: Celia Delgado, Kenneth Dahl, Marvel Brawner, Bonita Cramer, Mary Dowling, Patricia Bagby, Arcadia Mendoza, Eleanore Dowling.

Standing: Carl Sievert, James Ludewig, Charlotte Heinzelman, Mary Rose Ruffalo, Norman Hick, Marion Hultgren, Harold Montgomery, Wilfred Stump, Mr. Rossetter, John Van Deering.

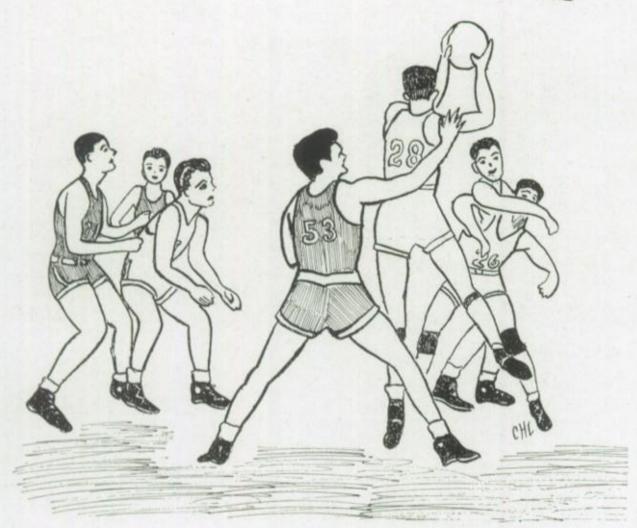

The Yearbook Staff

This year's staff was smaller and yet did more work than any previous group. In past years the majority of actual work was done by the engraver and printer, with the students doing little but the write-ups for the clubs. This year's staff did all of the mounting of some 1000 single pictures, each being first trimmed on a paper cutter to definite size. Panels were laid out for this mounting. This was the first year in which extensive student art work was used.

The staff was proud to be the first to introduce individual pictures of all students instead of group workroom pictures. They also presented the attractive plastic binding for the first time. Working on a budget several hundred dollars lower than either previous year, they economized on covers and used their money to greater advantage on the book's interior. The name of the book was changed to conform to the new name of the high school.

Mr. Rossetter is sponsor of the staff and worked closely with them on their production.

The

CHEER LEADERS

Front: Eileen Weisenberger, Bradley Lysholm.
First Row: Eleanore Lee Courtney, MarJean Wegener, Elinore Karlstedt, Lucille Johnson, Norma Jean Schoeneck.
Standing: Jane Frobish, Joseph Boutcher, William Clugh, Norman Hick, Betty Frobish.

Cheer Leaders

This year the cheerleading squad increased a great deal with nine regular leaders and four substitutes.

Two groups of four were organized which were awarded outfits consisting of red culottes and white sweaters to be used during the year and returned to the school.

The nine regulars were all girls and the substitutes were boys, which was due to the fact that the boys did not seem interested and did not enter till later in the year.

The girls and boys were included often in the drills which were put on by the PEP-E-PEPPERS at athletic events.

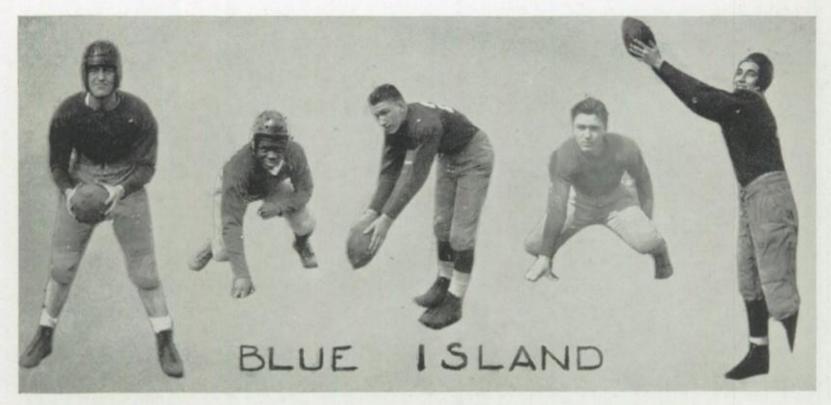

Back Row: Mr. Ewing, Mr. Dixon, Mr. Roberts, Mr. Russell, Mr. Driver. Front Row: Mr. Rattenbury, Miss Tupica, Mr. Eberhart, Miss Dickson, Mr. Blunk.

The Coaches

Community is fortunate in having a large and capable coaching staff. Mr. Eberhart continues in the role of head coach, with the business details being handled by Mr. Frobish.

Miss Tupica and Miss Dickson sponsor girls' athletics and teach girls' physical education classes.

Mr. Blunk has complete charge of boxing and wrestling; Mr. Roberts of tennis; and Mr. Ewing of golf. The Northside teams are largely handled by Mr. Russell and Mr. Rattenbury who also assist in varsity work. Mr. Dixon and Mr. Driver are Mr. Eberhart's right hand men in all sports.

FERRIS HOWLAND-half back; 145 lbs.

Being left handed, "Ferry" helped to give balance to our backfield. He shared the passing with Lindskog, and he will be missed next year.

JOE PUGH-1 letter.

"Joe" did not play on the first eleven this year, but he was a dependable substitute, in fact he often did better work than any of the so-called regulars. If Joe does not miss any practice next year he will make a real lineman.

RUSSELL SCHULTZ-half back; 155 lbs.

"Russ" was one of our fastest running backs, a swell trainer, and a determined player.

JOE BISAGA—guard; 1 letter; 150 lbs.

"Tough and rough and hard to bluff." Joe has the makings of a good guard. He has a quick hard charge and the ability to follow the ball no matter how fast the backs are.

CLARENCE BLANCHETTE—end; 130 lbs.

"Clancy" was quietly respected not only for his football ability but for the type of man and fighter he was. DONALD KEEHAN-end.

Showed promise as an end. With a year's experience he should be a contender for a starting position next fall.

CHUCK WICK-center; 1 letter; 155 lbs.

Chuck had very little football experience until this year. He developed fast and played a regular role throughout the season. He was aggressive and rangy. He did his share of the work in every game.

DON PIPPERT—back.

Don crowned his three-year effort on our gridiron by making his letter. "Stick-to-it-iveness" like his is a great asset to any team or individual.

JACK LINDSKOG-quarter back; 130 lbs.

Our triple threat man, clever passer and pass receiver. Although light, Jack showed superior ability to deliver under pressure. FRED CORNISH—tackle; 1 letter; 155 lbs.

"Fred" proved to be one of the quietest and steadiest of the Community High linemen. He started playing football last year as end, and through a few games of very dependable playing at the end, he won his permanent place this year as tackle.

Page 76

FRED JEFFERSON-end; 150 lbs.

Happiest when in the battle, Fred proved himself a reliable two position man, playing both in the backfield and as end. Was best end in our conference.

ROY WILDE-back.

Roy is a "comer" who is willing to advance by "hard knocks." Dependable and consistent in all his assignments.

BOB FISCHER—guard; 1 letter; 125 lbs.

Robert had his share of grit, and though handicapped by size, he figured in a number of plays in every game, due to his courage. With three years left he should develop into a very good man.

JAMES SEIDL-tackle; 1 letter; 160 lbs.

James was a good tackle, aggressive, and powerful both on defense and offense. Very few opposing backs gained much through Jimmy. This is his last year, and his place will be hard to fill.

RAY MALATINKA-full back; 155 lbs.

Ray was a hard hitting tackler and ball carrier. "Mala" is clever on foot and will help Community High show our Conference a strong running attack in 1938.

BOB SEIDEL—quarter back; 135 lbs.

Bob is another small fellow who loves to fight. With a year's experience as field general he should show expert direction of our team on the field during his senior year.

Heavies

The heavies ended a fairly successful season with a record of eight wins and a similar number of losses. The hardest thing for the gang to swallow was a pair of losses to Thornton. These games are always the peak of Community's season. The only other school to take two wins from the boys was Lemont, 26-18 and 24-22.

For the last two years the Cardinal heavies have played a post-season game with the younger faculty members. This game always gets an enormous turnout. The faculty took a definite licking from the heavies this time in revenge for last year's defeat.

Lights

Community Lightweights came through again this year winning 15 of the 18 games played. Bloom took two of these, and Calumet City won the other.

The basketball season opened with a smashing victory over Harper 25-15, paving the way for 14 more victories.

Third place in the South Suburban League was won by the Cardinal Lights.

Blue Island held their third annual invitational tournament which was introduced by Mr. Richards in 1936. Winning teams were Joliet, first; Hinsdale, second; and Community, third. The Red & White squad won three of their four games, being defeated in the semifinals by Joliet and winning the consolation event from Lockport.

Community's games and scores of the tournament were as follows: Blue Island 26, Harper 20; Blue Island 31, Morgan Park 15; Blue Island 24, Joliet 45; Blue Island 17, Lockport 16.

First Row: Orseno, Lappellere, Baumback, Albino, Rock, Martino, Rettke. Back Row: Mr. Rattenbury, Huffman Musto, Forry, Bailey. Cazel, Darfler, Schromen.

Freshman Heavyweight Basketball

The freshman heavyweights climaxed a fair season by taking second place in the class tournament, losing to the senior allstars 13-11 in the finals. The only real stumbling blocks for the team were Lockport and Calumet City, each beating our boys twice. Pointing toward varsity berths, the boys were developed by Mr. Russell, who also coached the faculty team.

Freshman Lightweight Basketball

The freshman lightweights had a very successful year, winning nine games and losing but three. Bryant beat the lights twice in two good close games.

Drilled in fundamentals of passing, shooting, and general floorwork, the boys look forward to varsity positions in the coming years. Some of the boys were used on the regular squad after the Northside season closed. Mr. Rattenbury coached the lights.

Baseball

Baseball prospects were not particularly bright at the beginning of the season, with only five lettermen returning. A large group of underclassmen offered new material and possible "finds." As an annual affair, the players celebrate with a session at a Cubs-Sox game as guests of the management.

Track

Only four lettermen returned to serve as a nucleus for this year's track squad. Blue Island is regularly hampered in this sport by the lack of a track of their own. For this reason all meets are held at other schools. Mr. Eberhart built his hopes largely on developing a good team for next year.

Sitting: Aurelia Alraido, Hoyt Hawkins, Joe Jacques, Kenneth Montgomery, LaValle Washington, Mike Musto, Ernest Turner, Robert Washington.

Boxing: Joe Brescia, Corice Brown.
Standing: Mr. Blunk, Bill Fredette, Richard Paulson, Ralph Moncardo, Prospere Stone, Martin Fochet, Tony Lesniak,
Glosker Craig, Leroy Schueman, Arcadia Mendoza.

Boxers

Community's punching crew gained considerable practice this year which should hold them in good stead next year, since but one of the boys will be lost to the squad for the coming season. The "gentlemanly art of self-defense," coached by Mr. Blunk,

regularly draws a good Squad of interested young fellows. This year the boys whipped the Morgan Park Military Crew 5-2, and also showed well at the Morton Tourney, hanging on till the semifinals. Ribbons were awarded the team at this meet. Keep your eyes on this squad next year.

WRESTLING TEAM

Front: Benny Nudo, Connie Disabato, Kenneth Montgomery, Henry Walsh, Joe Bisaga, Lemuel Bond, Cliff Bauser, Glosker Craig.

Top Row: Roy Powers, Tony Sassone, Elmer Rauch, Joe Brescia, Prospere Stone, LaValle Washington, Tony Lesniak, Charles Goesel, John Vink, Mr. Elunk.

Arcadio Mendoza.

Wrestling Team

Community High wrestling team competed in eight wrestling matches during the season of '37-'38, losing five and winning three. The first match was held with George Rogers Clark, the results being in the latter's favor with a score of 35 to 8, but in a return match Community won 24½-23½.

Our second competitor was Roosevelt High School, the score for the first match 20-23 in Blue Island's favor, and we lost the second match to Roosevelt with the score being 35-10. The last two schools we met were Calumet City, 31-8 and 28-9, and Calumet High School, 31-8 and 9-26.

Coach Blunk said that the boys should have done better, because they have battled against tougher teams than the ones they did this year. As usual there is also a reason for not being better; there were only two boys that were carried over from last year; all the rest were beginners. It was a fair season, considering the great majority were inexperienced. They are quite certain to be a stronger team next year.

Golf Team

Although only two lettermen returned to the 1938 golf squad, prospects looked fairly good early in the season, with a large turnout from which to choose material. The squad is as usual under the direction of Mr. Ewing; practice takes place at Glen Eagles Country Club at Palos Park.

TENNIS

Tennis again proved to be one of the most attractive of the spring sports, with a large turnout and promising material. This year a seven man team will probably be used instead of the five or occasional three men meets of previous years. This will give more boys varsity competition and should develop a strong team for future years; only three boys will be lost this year. Mr. Roberts has taken over the coaching job this year and drills the boys every night at the Central Park courts.

Of course you heard about the Ford which met the mule. In reply to the mule's, "And who might you be?", the Ford said, "Why I'm an auto." "Yeah? Well, I'm a horse," said the mule, and they both laughed.
